

MCS is a mark of quality. As an industry-led quality assurance scheme, it demonstrates the quality and reliability of approved low-carbon products and installation companies.

- ✓ We are an approved Microgeneration Guarantee provider offering the leading consumer protection guarantee in the marketplace.
- ✓ The IAA Microgeneration Guarantee for every installation completed under MCS covers 6 years instead of a minimum of 2 years.
- ✓ The IAA Microgeneration Guarantee provides the confidence that work is carried out to the highest standard and should there be a failure in workmanship or design, The IAA is there to put it right regardless of the trading status of the installer.
- ✓ By providing an IAA Microgeneration Guarantee, you set yourself apart from competitors who may not offer similar assurances and be recognised as a trustworthy Contractor, which would lead to increased recognition within the industry.
- ✓ The IAA Guarantee is to remediate and not compensate, ensuring that the consumer receives an effective remedy.
- ✓ The IAA operate an ADR scheme which is legally binding on both the consumer and the installer.
